Children of the City of Fairbanks

Re: Absolutely Incredible Kids

Dear Kids of Fairbanks -

You are very lucky kids. Why? Because you live in a place where there are great schools, where we have a beautiful outdoors for you to play in, and where there are so many people to support you in reaching for your dreams.

I am very lucky too because I have two wonderful kids that even though they are pretty much grown up, will always be my "kids." One of the things I like most about kids is that when you see new things you get excited and have new ideas. Sometimes us adults should try to be more like you and remember to see things with new eyes.

Remember to have fun and play! Go outside whenever you can so that you stay healthy and get fresh air! Us adults sometimes forget to do that too, so you have to help us to remember.

Thank you for being the Incredible Kids that you are! The Kids of Fairbanks rock!

Sincerely,

Mayor Terry Strle  
City of Fairbanks
