

Operation Purple® Camp

2023 PROGRAM HIGHLIGHTS

The 2023 season at Camp K kicked off with one of our favorite sessions of the summer, Operation Purple® Camp in partnership with the National Military Family Association!

- ➔ Thanks to donors, 88 youth attended Operation Purple® Camp this year at no cost to their families, plus an additional 19 youth from the Operation Purple Camp waitlist were able to attend another camp session.
- ➔ On “Military Day”, active duty military members from JBER came to camp to provide youth with their very own “military” experience, including a fun and challenging obstacle course on our field and a connective Q&A session.
- ➔ For the first time, a family camp was added in addition to Operation Purple® Camp to provide military families with a day of respite and fun together!

“

Learning to make friends has been tougher and tougher with each move... Being around other kids who experience the same challenges seemed to really help them feel normal for a bit.
