

# FAMILY REFERRAL CREDIT PROGRAM

**Your family can be rewarded for helping us grow our team!**

When you refer a candidate who is hired and begins working at Camp Fire, you'll receive a \$200 credit to your UltraCamp account as a thank you for strengthening our programs and workforce. It's easy to participate—just share one of our open positions with someone you think would be a great fit and remind them to list you as their referral on their application.
